

OLD AND NEW ARK

Noah's Ark

This ark is in form of a tubeless tire which flows on top of the water. It desends as the water dries up. There is no invitation in the building of this ark, God did not allow any soul to participate or contribute in building of the ark. He even made people see Noah as a mad and foolish man. Some where laughing and making jest of him.

As soon as he completed the ark, flood came which consumed all the habitant of the earth. it was recorded that only Noah and his families were saved.

The New Ark

This new ark is in form of human nature. There was an invitation for everyone to come and participate. This new ark is named ROSARIAN VOICE COMMUNITY.

Let us come together and build for Him (Christ)in the Lives of these innocent children. And His Salvation will be ours

Please make cheques payable to:

*Rosarian Voice Community,
First Bank Plc, Secretariat, Agodi, Ibadan.
Account Nos:3000887880, 2001780400
Tel: 08033681634, 09059784162
Website:www.rosariancommunity.org
E-mail: rosariancommunity@yahoo.com*

WHAT IS THE R.V.C. ABOUT?

The Rosarian Voice Community is a great commission, is a divine assignment by God himself to mankind. In attestation to this, an approval was given to us by the Government of Oyo State and registered in Nigeria for proper monitoring, caring, education, socialization and maintenance of Abandoned/Less Privileged Babies.

It is designed for shaping their destiny and improving their living condition.

VISION

- * To ensure safety / emotional balance of abandoned babies
 - * To create a conducive settlement for them.
 - * To build them up for God and His Kingdom
- There are two approaches to this:**
- (a) To serve as fishers of men/women
 - (b) To integrate them into a Home; either through adoption or prepare them for the future.

PURPOSE

The purpose of this programme is to make people see and appreciate God's goodness and His loving-kindness upon the abandoned babies and glorify His Holy Name.

Secondly to bring them up to self reliance.

Our statistics have shown that out of ten (10) abandoned babies rescued within a month, eight lose their lives due to the following reasons:

- (a) Stress while in transit (no immediate Homes for acceptance)
- (b) Overcrowding in some Motherless Babies' Home and lack of manpower.
- (c) Nonpayment of hospital bills which causes delay and unwillingness for immediate acceptance by the hospital authorities.

Having gone through the poor conditions of the abandoned babies in our midst, I perceived that the creation of this settlement will go a long way to improve their living condition.

The solution to child-abuse is not to pick them up and "dash" them out as slaves to couples who, in pretence, show initial love and concern. Who knows what would happen to them with their adopters after a few years?

Therefore the Rosarians have decided and volunteer themselves for these babies, provide settlement for them and monitor their development and well being after they have been adopted. This is because at adolescent stage children become very difficult to manage it take the grace of God to carry them along and meet God's people for them.

A neglected/abandoned child is a nuisance to the society, while a well-cared for abandoned child is a glory. e.g Moses, Exodus 37:24. They were used by God to save the Israelites at their time of distress.

*Destitution is never God's intention for His own creation. Rather it is part of the devil's seed to discredit the plan of God for mankind.

You are therefore being invited to this divine assignment by bringing any Abandoned Child wherever you sight one and without any stress/hindrances, the child will be accepted from you. God will provide.

This is a divine call to everyone of us. When you hear his voice, harden not your heart as in the day of old.

PRINCIPLES

Our main principles is to share what we have with the have-nots and to live in unity with them (COMMUNAL LIFE) .

Finally to preach the gospel of love and peace to the whole society.

MAINTENANCE

The Rosarian depends purely on faith in God. We are faith based. Other sources are through grants, appeal letters, donations from churches organizations, agencies and individuals within and outside Nigeria.
